Possibilities.Redefined

A photograph showing three men from behind, sitting on a sofa and watching a soccer game on a large television. The man on the left is wearing a blue t-shirt and has his hand raised. The man in the middle is wearing a pinkish-red t-shirt. The man on the right is wearing a light blue button-down shirt. The TV is on a white stand and shows a soccer match in progress. The room is brightly lit, and there are some decorative items on shelves in the background.

PRODUCT DESCRIPTION

fujistar[®]

LNB

FEATURES:

Fujistar Digital Satellite Receivers gives you more vivid detail, finer gradations, truer colours, and more precise contrasts and contours.

Fujistar receiver allows the reception of TV and radio FTA (Free To Air) satellite services. The receiver stands out for its small and compact design, and its easy and friendly user interface. The receiver is supplied with a power adapter and a remote control. We lead in the market of Free-To-Air receivers. With wide range of models,

LNB

FB-1100 SINGLE

Simple and quick to install

FB 2100 TWIN

High quality uniform surface with anti-corrosion coating

FB 4100 QUAD

Lasting quality - durable parts and solid construction

FB 8100 OCTO

Perfect reception quality with high gain across the band

FJ1100

High quality uniform surface with anti-corrosion coating

FJ2100

Simple and quick to install

LNB

FJ4100

Excellent low noise

FJ5100 QUATTRO

High quality uniform surface with anti-corrosion coating

FJ-8100

Lasting quality - durable parts and solid construction

FJT1100

Perfect reception quality with high gain across the band

FJT2100

Perfect reception quality with high gain across the band

FJT4100

Perfect reception quality with high gain across the band
